Training Options

Logistics Solutions reputation is totally dependant on our workforce who represent us. This is why we believe heavily in investing in our workforce and provide extensive training packages.

All registered candidates are entitled to attend any of our training sessions free of charge, course dates can be obtained either from your consultant or a member of the training team.

- Introduction to Digital Tachographs
- Introduction to EU Drivers Hours.
- NVQ in Driving Goods Vehicles
- Manual Handling
- Introduction to Analogue Tachographs.
- Recording drivers Hours
- NVQ in Warehouseing & Storage
- English as a second language

The above courses, are housed internally or via an accredited trainer, additional courses are provided via our training centre, at hugely discounted prices:

- HGV Training/Licences
- Refresher Courses
- ADR Licences
- CPC Course

Courses book fast, so you are advised to book in advance.
